

CHP FOUNDATION

CHP FOUNDATION

CHP Foundation is a charitable organization established in April, 2023 under Companies Act, 2013 as a result of initiative of Benevolent people who believed in doing their best to serve the society in whatever means they had. The objective was to establish a charitable organization for promoting social welfare activities in the field of education, Skill development & health sector primarily.

The foundation ensures that all the incomes and profits are applied solely towards its charitable objectives, with no distribution of dividends to any member, thereby upholding its commitment to community development and society building.

CHP Foundation is also registered under Section 12A & 80G of Income Tax Act.

VISION

To create an empowered and inclusive society by improving access to quality education, enhancing skills for sustainable livelihoods, and promoting better health for all.

MISSION

1. To provide educational support and resources to underprivileged children and youth.
2. To promote employability through skill development and vocational training programs.
3. To organize health awareness and medical camps for communities in need.
4. To collaborate with government bodies, NGOs, and CSR partners for implementing impactful social initiatives.
5. To foster sustainable community development through education, skills, and wellness.

OBJECTIVES

1. Promote education, literacy, and digital learning opportunities for children and adults.
2. Provide vocational training and skill development programs to empower unemployed and under-skilled youth.
3. Organize preventive healthcare and awareness programs in rural and urban communities.
4. Build partnerships with institutions, corporates, and public agencies for joint social initiatives.
5. Undertake research, seminars, and workshops to enhance community knowledge and self-reliance.

CORE FOCUS AREAS

🎓 Education – Literacy drives, digital learning, and educational aid.

🔧 Skill Development – Vocational training and entrepreneurship support.

💓 Health – Medical camps, health awareness, and preventive care programs.
